# COMPANY BACKGROUND

**D**ingatana Supplies & Services is planning to be a leader in building construction, civil works and property development as well as supplies to its clients in and around South Africa. We began our operation in 2005 and our record in the development community

and business reflected in our client base and active involvement in various professional and business organisations. Our client portfolio represents every facet of the property development industry and suppliers in the public sector.

## **We have registered with the following:**

- The National Home Builders Registration Council
- Construction Industry Board (CCIDB)
- South African Revenue Services

# MISSION STATEMENT

We have become a reputable company, driven by our own commitment towards social responsibility and a real return on investment for our stakeholders.

- Be a leader in this highly competitive industry of General Suppliers and Property
- To render excellent and world class service to our clients
- To be favoured by Government affirmative system, being an empowerment company.

## Our Values

- Passion for what we do
- Excellence in performance
- Entrepreneurship
- Dedication and Focus
- High Ethical Standards and Morality
- Determination and resolve to succeed
- Embracing of Social Responsibility
- Community's involvement

# OUR SERVICES

Dingatana Supplies & Services has been service clients since 2005. We have been delivering the best service in the market without compromise on quality.

- Building Construction —
- Civil Construction —
- Mining Engineering —
